London Lore The Legends And

London legend and Lore is a lot heavier and more broad than my previous books. It's split roughly into boroughs of London and is clearly more of a reference text than something to dip in and out of. The tales vary in length and are well told with a hint of the authors amusement at some of the less believable tales.

London Lore: The Legends and Traditions of the World's ...

"A wonderful collection of stories and legends, to be recommended to anyone who is at least half in love with the dark side of London's past." — The Times "An essential, indispensable book, and should be as much a part of the civilized library as a dictionary or atlas." — The Guardian on The English Year
