## **Minolta Ambient Photography Light Meters for sale | eBay**

I can't say as I have a specific meter in mind, though I notice that KEH currently has a Minolta Auto Meter IVF for \$120 USD. I can't afford a new Sekonic, so the only other option would be a new low-end Polaris. Essentially, anything under \$200 USD is available for consideration with \$150 (or less) being ideal.
