Review by 11 year old avid reader: The Dragonfly Pool is beautifully written but not in a sissy way. It has wonderful characters and describes their lives in great detail and you really connect with them. Great book for 11-13 year olds who love reading but aren't into books like those written by Jacqueline Wilson.

Here they meet Prince Karil and suddernly, a innocent trip to a dance festival, becomes a daunting trip straight into the tight grip of Nazi power.
